Please send your resume to the Email ID mentioned with the job opening – *matching your skill-set & preference -* with proper email subject and email body text. Most of these openings you won't find on Job portals. Why? Because MNCs & other Companies outsource this work to consultancies – to find candidates for them.

Email Subject: "Position | Current Location | Experience"
E.g., "Test Automation | Bangalore | 5 Yrs"
Note: Current Location should not be your hometown where there are NO IT companies. Keep it like Chennai/Bangalore/HYD/Pune/MUM/Delhi/AHD/Noida/GGN/etc.

Hi,

Got to know that you are hiring. I am looking for a "Test Automation" position. Below are my details,

- *Current Role: Automation Engineer | Test Lead | Test Engineer | Quality Analyst | QA Manager | etc.*
- *Current Location:*
- *Experience: 5 Yrs*
- *Skills:*
- *Tools:*
- *Certifications:*
- *Current CTC:*

Attached is my resume for reference. Please share it with your colleagues. Do let me know in case you need any further information.

Thanks & regards,
Your name
Contact No -

Tip: **STOP** mentioning notice period in the Email. ONLY mention "Serving Notice" in the Email Subject & Body if you are already on notice period.
